

**5.3.2 Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students' representation on various bodies as per established processes and norms)**

As per the guidelines of JNTUK, Student Council is formed each year and is functional at Pydah College of Engineering. Student Council representatives are enthusiastically contributing in different curricular, co-curricular and extra-curricular activities. They are contributing actively in coordinating the various events taking place at the institution. They are coming up with new themes whenever the activities are initiated. This makes the college environment vibrant and all faculty members and management is becoming more enthusiastic for initiating various new activities. They carry out various activities and initiatives along with their classmates. They also encourage other students to take active part in the several activities conducted by the Institute from time to time to enhance their confidence, knowledge, communication skills, team spirit, creativity, organising and planning skills.

**Glimpses of contribution of the Student Council is listed below-**

- 1) Liaisoning between students and teaching faculty.
- 2) Coordination in organizing events like Yuva ustav, Cultural Events, Independence Day, Republic Day , Elocution competition, Quiz Activities, Seminars, Workshops etc.
- 3) It ensures student discipline during the activities and events.
- 4) Assistance to faculty in class discipline.
- 5) Students Council members represent students in committees like Anti-ragging, Sexual harassment, Grievance Redressal Committee, Cultural Committee etc.
- 6) Students provide feedback about Academics, Library and other activities of college.

Pydah College of Engineering provides necessary support to the council members in organizing and coordinating the events. It encourages the students to develop their leadership skills, entrepreneurship skills, cross-cultural skills, team building skills, encouraging creativity and innovation, improving proficiency in ICT Digital Literacy through these activities. Student members of the Council can become real heroes and competent managers in future by learning all these skills.
