

4.1.1 Availability of Adequate infrastructure and physical facilities in the institution

Pydah college of Engineering was established in 2009. It is affiliated to Jawaharlal Nehru Technological University, Kakinada.

To be a world class institution in the stream of Engineering, Pydah College of Engineering offers 5 graduate courses in B.Tech - CSE, CSE (AI), ECE, MECH & Agri Engineering. This institution offers 3 Post Graduate courses i.e. M.Tech in CSE, CSE (AI), VLSI & ES.

Pydah has hired dedicated team of faculty from IITs and premier institutions. It has an effective policy in place for creating and enhancing the infrastructure that facilitates effective teaching and learning process.

Classrooms: Pydah College of Engineering has established classrooms and well equipped laboratories as per the AICTE norms. This has 48 classrooms and 12 tutorial rooms with the measurement of 81 Sqm, 72 Sqm, 66Sqm and 33 Sqm approximately. Each room can accommodate a good number of students.

Laboratories: PYDAH has well equipped laboratories for UG&PG programs to enable Budding engineers/managers to practically understand the fundamentals of the theory through numerous experiments. Laboratories are much useful to make the learner to apply applications in their practical lives.

Seminar Halls: The institute has well furnished adequately spacious seminar halls with a seating capacity of 300+ students. The hall is well equipped with modern projector and audio system. The seminar halls serve as a venue for various Academic activities throughout the year.

Training and Placement: The Training and Placement Cell involves in placements of students through various training modules. To make students industry ready and employable, Campus recruitment training is given right from the beginning of I year onwards. Pydah College of Engineering has a impeccable campus placement record with many MNCs visiting our campus. Some of the prominent companies like Wipro, Amazon, Academor, LurnIn, ILM, PentagonSpace, Palle Technologies, Mind Sparc, Paytm, [24/7].ai, Lurn In, Green Q's Agritech, Zitrahra AI, Skillhaac, Track 3D , etc., visited our campus for placement drive. More than 150+ students grabbed opportunity in various companies.

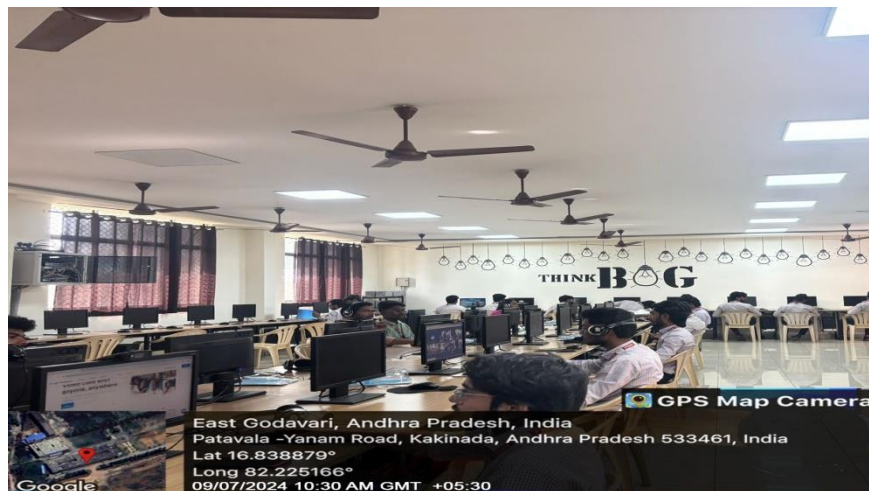

Transport Facility: PYDAH provides transport facility for all the day scholars as well as faculty members. Our buses cover all the areas which are surrounded around 80 km in East Godavari, Kakinada and Konaseema districts. Global GPS tracking is available to know the running status of buses.

Library: PYDAH has a Central Library that plays a vital role for providing resources which enhance the knowledge of the faculty and students. It is housed in an area of 400Sq.m with seating capacity of 200 students. It also offers digital resources, reference books with huge number of volumes of text books which is useful for seeking knowledge. The College Library has **Delnet** subscription with membership number: **IM9347**. The timings are from 9:00 AM to 5.30 PM on all working days.
