Sub: Sanction Order for the Project Titled " Ruby on Rails " . Reg

Dear Sir,

In pursuance of your proposal dated 22<sup>nd</sup> Aug 2021. I am directed to convey the approval of the competent authority for the incurring and expenditure of ₹ 50,000 (Rs. Fifty Thousand only) as grant-in-aid for the research project titled " Ruby on Rails ."

The release of this grant is subject to the following conditions:

1. The sanctioned grant-in-aid must be utilized by the investigator within 12 months of its release, in line with the project requirements and approved objectives.
2. The execution of a bond and submission of a detailed project utilization report are mandatory before utilization of the funds.
3. Funds provided under this sanction will be subject to periodic audits, and any unutilized funds must be returned along with a detailed Utilization Certificate.
4. If the tenure of the project is extended, written approval must be obtained from the sanctioning authority before the original deadline of Jun 2022.

Thank you for your efforts in advancing research and innovation. We wish you success in completing the project within the stipulated time frame

Yours sincerely,  
  
Srinivas Gadi  
Deputy General Manager
