### REPORT

Training & Development Office has conducted one week Competitive Examination Training for III B.Tech Students. The resource person was Ms. A. Devi & team, freelancers. The program was organized to create a benefit to the students to crack their written test at the recruitment process or to practice and appear for competitive exams. This training program helped the students to acquire Arithmetic & Reasoning abilities. In this one week schedule the below mentioned topics were covered.

Arithmetic and reasoning are core components of competitive exams and job placements. These topics test mathematical skills and logical thinking Arithmetic Topics

Day 1: Number Systems & Percentages

Day 2: Ratios and Proportions & Averages

Day 3: Data Interpretation & Finding Missing Numbers

Day 4: Data Sufficiency & Number series & patterns

Day 5: Algebra & Geometry

Day 6: Coding and Decoding & Blood Relations

Feedback from Participants:

The feedback from the students was satisfactory. They found the topics quite interesting and the trainer clearly gave instructions that these skills can be enhanced by only practicing daily. Students completed the session with a positive motivation to gain success.

### REPORT

Career guidance session will help the students to make informed decisions about their future by providing information about careers, education, and the job market. This program helped the students to identify their strengths and weaknesses, and develop self-awareness. The resource person has covered all the important areas. This will help the students to understand and take a right decision once they complete their graduation. The various topics were covered during the session. The resource person for this program was Ms. Roshini Begum, Career Counsellor.

Jobs in IT sector  
Core domain Jobs  
Civil Services and Government Jobs  
Business and Management Roles  
Higher Studies domestic & International Level and Research  
Entrepreneurship and Startups  
Creative and Design Roles  
Freelancing and Contract Work

At the end of the session students felt happy to gain additional information to plan their future requisites.
