

6.1.1 Institutional Vision and Leadership

The governance of the Institution is reflective of an effective leadership in tune with the Vision and Mission of the institution.

Pydah group of Institutions were founded and established by Late. Sri. Pydah Venkata Narayana Garu, who was born in an illustrious Pydah zamindari family in Kakinada, with a motto “**Service to Humanity is Service to God**”. Basically philanthropists, they offer their services for the welfare of the society through choultries and educational institutions in and around Andhra Pradesh. Over seven decades in the field of Education, Pydah group has been running 12 educational institutions along with charitable trusts. The first educational institution was Sri. P.V.R High School at Dhvaksharamam in the year 1953 and in the year 1974 they started Sri. P.V.R Trust Degree College popularly Known as Andallamma Degree College. Later in 1979 they established Sri. P.V.R Junior College. A legacy and with a vision to serve the society by providing the most important aspect called education, Chairman Sri. Pydah Satya Prasad Garu established P.V.R.T P.G college at Kakinada in 1996, Pydah College of Pharmacy at Kakinada in 2007, Pydah College of Engineering Green Campus in 2009, Pydah Polytechnic and Agricultural Engineering Colleges in 2011 and 2013, respectively, Pydah College of Polytechnic in Fisheries in 2017, Veterinary in 2019 and Polytechnic and Engineering college of Dairy and Food Technology in the year 2017. A proposal of Pydah Defence Academy is yet to be started in future.

Vision:

To equip the students to face both professional and technical competition across the globe with complete confidence and necessary skills.

Mission:

- To impart value based education by integrating holistic teaching and learning with innovative practices.
- To make students compete in the changing global scenario to realise their dreams.
- To create conducive environment for the students to acquire skills beyond curriculum in their interested areas.

The main objectives of the Mission are –

The management aims at the students- centric learning with joy and concentration in a green environment with potent hands-on experience in academics. The rich experience and diversity of faculty members inculcates and inspires students to be united and understanding with each other. The governing body which is a composition of expert intellectuals from both academia and industry provides the curriculum which benefits the students through internships, projects and seminar's, presentations and by organ sing technical fest. This mission also concentrates in organizing professional resource persons for CRT which enables and imparts confidence in students in cracking good number of placements with beneficial packages. The college development council (CDC) consisting of HOD's and representatives from the management headed by a Principal, a Dean, a Deputy Director, a Secretary, a Joint Secretary and a Chairman prepares policies and strategies for the successful implementation of the curriculum. The HOD's discuss the plan with their respective staff members to accomplish student- centric education with enables the students to excel in personality development, creativity, critical thinking, problem-solving and behavioral aspects. The resources of the institution have adapted proactive approach in attaining holistic education which leads to all-round development of the students.
